DOGS ELIGIBLE TO ENTER

Entries will be accepted to be included in the random draw, for dogs that have completed eligibility per rules below
Note: make sure your dog is not missing ANY lower level legs that are required for entry or your dog will not be eligible to send an entry for the random draw. This can include a C-ATCH/C-ATE dog that is missing a lower level leg. CPE is NOT responsible for dogs that were moved up in error, regardless of upper level titles earned.

See your online member records to verify your progress.

- To send an entry – a dog must have earned at least 30 legs in the height category that they will be entered in for Nationals between January 1, 2014 and December 31, 2014 and meet the level eligibility criteria below.
- The 30 legs can be earned at any level within that height category, as long as the dog meets level eligibility criteria listed below.
- Transferred legs do not count towards the 30 legs for eligibility; the 30 legs must be actually earned in the height category that they will be entered in for Nationals.
- Entered dogs cannot change height categories if they do not have the required 30 legs in the height category that they will be entered in for Nationals.
- Legs within different height categories cannot be combined for requirements. For Nationals eligibility and entry, regular and veterans are separate height categories (legs still count for the same CPE titles).

Level eligibility criteria

If a dog has transferred to a different height category per transfer rules for levels 4, 5, C – that dog may be eligible per the original height category with the rules below, however, the dog still must meet the 30 required legs in their height category noted above.

Legs within different height categories cannot be combined for requirements.

- **If your dog began CPE in level 1** - they must have completed all titles in levels 1, 2 and 3, and have the 30 legs in levels 1, 2, 3 or higher, per the requirements and dates listed above to enter.
- **If your dog began CPE in level 2** - they must have completed all titles in levels 2 and 3, and have the 30 legs in level 2, 3 or higher, per the requirements and dates listed above to enter.
- **If your dog began CPE in level 3** - they must have completed all titles in level 3, and have the 30 legs in level 3 or higher, per the requirements and dates listed above to enter.
- ❖ **Enthusiast requirements exception:** can skip up to ONE class per level (must be the same class for each level), however, the dog must meet the 30 required legs earned in enthusiast per the above dates – this may mean a category title may not be completed
- ❖ **Specialist requirements exception:** can skip up to TWO classes per level (must be the same class(es) for each level), however, the dog must meet the 30 required legs earned in specialist per the above dates – this may mean one/two category title(s) may not be completed

If you are transferring legs to change height categories, make sure you are entering all trials correctly per your transfer. CPE is not responsible for entry and/or move up errors on transferring leg dogs. If an error is made, this may void your dog's Nationals eligibility. If you have transfer questions, email CPE - before sending your transfer form. Transferred legs cannot count towards the required 30 legs.

- **Each dog must be entered in the level it is currently at in that respective height category and class.**
Note: regular rules apply - current Level C dogs may enter Level 5 for multiple C-ATCH or the Class Champion titles
- **A dog cannot be entered in a higher level if it has not finished the previous level requirements for that individual class.**
- **A dog does not need to move up to the next level when the current level requirements have been met for that class.**

Levels 4, 5, and "C" will be offered at this trial. All classes must be entered at this event – dogs do not have to run all nine classes. One standard and two games will run each day.

Other show information – ALL exhibitors are responsible for the information listed below

THIS EVENT WILL BE JUDGED UNDER THE CPE RULES AND REGULATIONS IN EFFECT AT THE TIME OF THE TRIAL
The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely. Obstacles shall meet the specifications for obstacles under the current rules of CPE.
Any trained, healthy dog 15 months or older may compete in a CPE agility trial. All purebred and mixed-breeds are equally eligible for entry. Bitches in season or any dogs who are blind, lame or aggressive towards people or animals are not eligible to compete.
It is expressly understood that exhibitors alone are responsible for the behavior of their dog(s) and / or children. Any exhibitor whose dog(s) and / or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the show committee, be asked to leave the show site with no refund of fees.
Refunds <ul style="list-style-type: none"> ➤ There will be a \$25 administration fee per each dog's entry for refunds requested prior to the closing date. ➤ Once a request has been received to pull a dog from Nationals, it cannot be reversed regardless of the date or reason. ➤ Refund checks will be sent by April 1, 2015, for refunds received by the closing date, by late May for all other refunds. ➤ No refund for bitches in season after the closing date. ➤ Dogs that are injured after the closing date will be eligible for a refund of 50% of the entry fees upon receipt of a vet's letter on their office letterhead. Such a letter is due no later than April 15, 2015 at the CPE offices, or by hand, no later than 5pm at the show site on April 23, 2015. Letters received during or after the trial, will not be accepted and will not result in a refund. Letters will be verified with your veterinarian's office. ➤ In the unfortunate circumstance of the death of a beloved dog who is entered in the trial: a full refund of that dog's entry fee will be issued, even if after the closing date. Notification by email by April 15, 2015 or at the site by April 23, 2015. ➤ Entry fees will not be refunded in the event that a dog or handler is absent, disqualified, excused, or barred from competition by action of CPE, the show committee, or a judge. ➤ No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy or any other cause beyond the control of the organizing committee.
Returned check fee - \$30. All entries received for the member are on hold until restitution is made by a US funds Money Order. Restitution must be received within 7 days of notification from CPE or all entries are cancelled for that member. If the entries are cancelled, the returned check fee of \$30 will still be outstanding – if not paid within the 7 days, the CPE membership will be inactivated until the fee is paid by money order.
Dogs MUST be on leash with the leash in the handler's hand (or picked up) at all times during the show each day from Thursday set-up through Sunday trophy presentation and tear down, when not in their crates/ex-pens/vehicle. The ONLY exceptions: when dogs are in the warm up areas, running in the rings, or in your immediate camping area if camping, only after the show each day – and must be under direct handler supervision.
There will be 9 sections that dogs are assigned to for Nationals. There will be 3 sections running at a time. There will be 2 sections in between each of your dog's runs each day. All dogs with the same 5 digit CPE id number will be included in the same section for running in the trial. Due to the number of dogs entered, requests to be in the same section with different CPE membership id numbers cannot be accommodated, nor a particular order/placement for each day.
Handlers in all classes are permitted to walk the course, without a dog, prior to the start of their section for each class. A warm-up area consisting of a regulation jump shall be provided for all entered dogs.
Jr Handler Info: Jr Handler's must be under 18 years old the day of the trial to enter Nationals. Due to the Jr Handler High In Trial Award – 10 entries for Jr Handlers will be guaranteed if a random draw is necessary, and more than 10 Jr Handler entries are received. To be eligible for the draw, the Jr's entry must be separate from other entries, and only to be handled by the Jr for all runs. If a Jr's entry is received with other entries, it will be placed in the regular draw. A Jr Handler does not need to run a dog in all classes, however only the classes the Jr Handler runs the dog in will be counted towards the Jr Handler High In Trial. All classes the dog runs in will be counted towards the other trophies, regardless of the handler. A Jr Handler can run more than one dog at Nationals, scores are not combined – each dog's scores are tabulated separately for trophies and the Jr Handler HIT award.
Exhibitors/handlers who are under 18 years old must be accompanied at the event by their parent or legal guardian, regardless if they are signed up as a Jr Handler or not.
Nothing may be on the dog when running (exception – see rulebook for dogs with long face hair). Collars are not allowed when a dog is running the course. No attachments of any kind are allowed to be on the leash. A regular collar/leash, quick off/on harness/leash, slip lead, martingale slip lead - are allowed to take the dog in/out of the ring. Flexi's are not allowed in the ring areas and cannot be used to take a dog in/out of the ring. Pinch collars are allowed on the site (if properly used), however, cannot be used to take the dog in/out of the ring. Dogs must be on leash with it in the handler's hand (or dog picked up) before leaving the ring out-gate chutes.
A dog will not be penalized if they pick up their leash when their run is completed. A dog will be assigned an NT (No Time) if the dog picks up the leash before the run has been completed. A dog will be assigned an NT (No Time) if the dog enters the gate chute before the run has been completed, or leaves the ring out-gate chute without being on leash with it in the handler's hand (or dog picked up before leaving the gate chute).
Food, toys and training devices are not allowed on the course or within 10' of the ring. Tugging with a dog within 10' of the ring or in close proximity of people or other dogs is not allowed.
Dogs that cannot be ringside: dogs not in that ring's section to run, non-entered dogs, spectator dogs.
No puppies under 8 weeks old are allowed at a CPE trial. Selling of puppies at the show site is not allowed.

WORKERS - We'd love your help! 😊

PLEASE SEND THIS VOLUNTEER FORM WITH YOUR ENTRY

Sharing your time will ensure a well run trial!

We can use everyone's help—even for a short period.

No one will miss a run – the way Nationals is run, there are NO conflicts for working!

Volunteers will usually be assigned for working 2-3 times each day

If you aren't sure how to do a job—we'll be happy to train you.

Please report to your ring during the walk through or when called on the PA system.

Do you know someone else who may want to be a dedicated worker for the Nationals?
Or do you have someone who is coming along with you that could be a dedicated worker?

If so, please ask them to fill out a form to send with your entry.

Circle preferred positions for which you would like to volunteer - we will try to assign your favorite jobs!

Cross out a job if you definitely don't want to do it.

All are easy to learn – we will be happy to teach you a new job!

If you circle a job you've never done before please let us know so someone is assigned to teach you.

Note: course builders are already assigned - please do not indicate a course building preference. Thanks!

Please print clearly – dog's height and levels are not needed for CPE Nationals volunteer forms
