## Rules and Regulations

All dogs must be **ON LEAD** while not competing or warming up. Please bring your own water for your dogs. The only available water is well water.

Exhibitors who do not clean up after their dogs at the trial site or at their motels will be dismissed from the trial. Anyone causing problems at their motel will be banned from future agility trials held by FASA and ASCA will be notified.

Exhibitors, through submission of an entry, acknowledge that they are knowledgeable of ASCA rules and regulations including, but not limited to, the following rules regarding entry:

All healthy, trained dogs over eighteen (18) months of age are eligible to compete in ASCA agility trials. Bitches in heat, lame, or blind dogs are ineligible for entry, as is any dog with a deformity which may cause a judge to not be able to reasonably assess the dog's ability to function and perform agility obstacles safely, and in a manner that is in the best interest, health and welfare of the dog. Any dog which demonstrates aggression towards any person or any dog, whether inside the ring or outside the ring, must be excused from the agility trial. Any dog which the judge feels is not in enough control to perform all obstacles in a safe manner will be excused from the agility trial. All ASCA agility trials shall be open to purebred and mixed breed dogs.

No leads, collars, food, toys or other aids or training devices shall be allowed on the course at any time or within 10 feet of the ring.

The organizing committee may refuse any entry as provided by ASCA Rules and Regulations. Anyone not in good standing with ASCA will not be allowed at this trial.

**RETURNED CHECKS** do not constitute a valid entry fee. There will be a \$25.00 fee for any check returned

All dogs must be individually registered with ASCA in order to get credit for qualifying scores. An ASCA registration number is not required for entry. A form is included in this premium to get a Qtracking number for your dog.

Obstacles to be used in the trial will include the dog walk (rubber granules), A-frame (rubber granules), teeter-totter (rubber granules), open tunnel, weave poles (24"), winged single hurdle(s) and non-winged single hurdle(s).

## Facts about ASCA and our Trial

Once your dog completes a title, you have the option to move up to the next level (on the next day or the next show) or to remain in your chosen level to compete for additional ASCA titles - such as the Superior Performance awards.

| Over 20 inches        | 20+ or 24             | 16+ inches                |

Junior handlers have the option of jumping the dogs at their std jump height and still receiving additional 10% in time.

See the ASCA web site [www.asca.org](http://www.asca.org) for rules.

### **Notice to Exhibitors:**

The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all the obstacles safely.

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial Committee, be asked to leave the show site. In such cases, no refund of any fees paid will be made. Entry fees will not be refunded in the event that a dog is absent, disqualified, excused, or barred from completion by action of the Trial Committee. No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbance, acts of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee.

**Any and all assistance at the trial will be greatly appreciated!! Thanks to any helpers in advance! The more helpers, the earlier the trial will be finished!**
