

# Calling All 2015 CPE Nationals Exhibitors!

Please help show our appreciation to all the hard working volunteers by having an abundance of wonderful gift baskets for the worker raffle. We are asking each state participating in Nationals this year to once again bring a basket full of goodies (for people or dogs) that best represents your state.

Over the last few years the state baskets have gotten bigger and better and are a favorite of all the workers. We are hoping to outdo the baskets from years past.

We would appreciate a representative from every state bringing a basket to contact our worker raffle coordinator letting her know to include your basket in the raffle...
