

2015 CPE NATIONALS CRATING INFORMATION

Welcome to Florida and congratulations on qualifying for the 2015 CPE Nationals! We have several options for you for crating. There will be limited designated space by the rings for tents this year at no cost. This will be on a first come first served basis. We also have 4 barns with 10x10 stalls in close proximity to the rings that will be used. Stalls may be reserved for \$60 for the weekend. There are over 400 stalls available, but you may still want to share a stall with a friend or friends. We will also do our best to accommodate groups of exhibitors that would like to be crated near one another.

The stalls are all under cover with excellent ventilation. They are able to be locked using a padlock and chain, which you will need to provide, if you prefer. The Jacksonville Equestrian Center requires some sort of ground covering in all stalls, so please bring a tarp or mat. There are electrical outlets in the hallway, however we cannot guarantee access to everyone renting a stall.

In order to reserve a stall, please complete the attached form and mail it, with your check payable to PASCO PAWS to: Sherri Loeffelholz - CPE Stalls, 19401 Everton Place, Land O' Lakes, FL 34638. Reservations may be received beginning February 1st, and must be received by April 1st. For any questions, please email Sherri at sloeffel77@gmail.com

Please note - there will no crating allowed inside the building that houses the main arena.

DECORATING CONTEST

Many exhibitors in previous years have had so much fun with the stall decorating contest that we decided to continue the tradition this year. There are no criteria for the decorations - you are free to use your imagination, and just have fun! Judging will take place Friday afternoon and Saturday morning so that the winners can be announced at our Saturday evening get together.

GENERAL THINGS TO REMEMBER:

1. Always pick up after yourselves and your dogs. This is an excellent facility, and we would like to be able to use it again in the future. There will be ample trashcans all around the grounds.
2. Do not allow your dogs to pee on man-made things (fences, buildings, garbage cans, etc) or anything that a human needs to touch (spare equipment outside the ring, etc). There are lots of grassy areas and trees at the facility for this purpose.
3. Please remember to always respect the space of other dogs and handlers. There will be many dogs in close proximity, so do not allow your dog to greet a strange dog unless the handler says it is OK. Be aware of your dogs at all times, and do not congregate in areas used for dog passage.
4. **HAVE FUN!!!!** This is going to be a great event, and our main goal is always to have fun with our best friends! Enjoy every moment with your dogs and friends, and take the opportunity to make new friends from other parts of the country.
